

Independent financial advisors and solicitors

NottinghamHousing

LiveLife

Below is a list of independent financial advisors (IFAs) used to dealing with us. They will help you to find you a mortgage based on your financial circumstances.

Overleaf, you will find a list of solicitors that know about shared ownership and are also used to dealing with us. Your choice should be based on your impression of the overall service and not just the price. Prices can vary and you should get quotes that include other fees, such as stamp duty, local searches and so on. You can use your own solicitor, but ask them if they are familiar with shared ownership first.
